OUR PURPOSE

Madar drives growth and excellence in the Aluminium sector by delivering reliable and innovative solutions that shape the future of modern building.

ALUMINIUM ROLLING SHUTTERS

Enjoy a quieter, more energy-efficient home with Madar Aluminum Rolling Shutters. Protection against changing weather conditions, excellent insulation from noise and heat, and complete control over light and privacy... All in one elegant, durable solution designed to last.

Why Aluminium ?

Aluminium is the ideal metal for use in finishing and building materials that are exposed to weather conditions on a daily basis.

Aluminium structures are known for their durability and stability.

The Aluminium used by Madar is specially treated to ensure long-lasting color retention for years.

THE DETAILS THAT MAKE THE DIFFERENCE

- **250 Tests Before Delivery**
Proven performance from day one for years to come.
- **High-Precision German Production Lines**
German precision... reflected in every movement.

SECURITY YOU CAN RELY ON

MADAR SECURTIY HANGERS

The shutter cannot be forced open...
Real protection, not just a feeling of security

INSPECTIONS BEFORE & AFTER MANUFACTURING

Consistent performance, day after day.

LOCAL, EUROPEAN & INTERNATIONAL TEST CERTIFICATES

Outstanding design in compliance with European standards.

COMFORT YOU CAN FEEL INSTANTLY

- **MADAR BLACKOUT BOX**
An internal design that completely prevents light leakage.
Total blackout... true comfort for your eyes.
- **MADAR BLACKOUT GUIDE RAIL**
Complete blackout — no light, no disturbance.

WARRANTY CERTIFICATE

Thank you for choosing Sattara Aluminium Products Company (Madar).
We appreciate your trust in our products and guarantee them to you according to the following terms and conditions:

Order No.: _____

Product Name: _____

Customer Name: _____

Address: _____

Phone: _____ Email: _____

Warranty Start Date: _____

WARRANTY POLICY

1- This warranty applies only to the complete product supplied by Sattara Aluminium Products Company (Madar), including all its components.
2- The warranty becomes void if any component not supplied by Madar is used.
3- Warranty Period: ● 5 Years ● 3 Years on Accessories

Motors are covered according to the manufacturer's warranty.

4- The warranty covers replacement costs, as well as the cost of transporting the product from the customer's location to the company and returning it, provided that the malfunction is caused by manufacturing defects. Otherwise, the customer shall bear the aforementioned costs.
5- During maintenance, the company reserves the right to replace any spare part with another part supplied by Madar.
6- The warranty covers the repair of spare parts or their replacement with other Madar parts.
7- Replaced spare parts shall be returned to Madar.
8- The product is designed to operate a maximum of 10 times per day (one cycle = up + down).

THIS WARRANTY DOES NOT COVER:

1- Any malfunction or damage resulting from misuse, damage, or improper storage.
2- Damage resulting from low or high electrical voltage.
3- Natural disasters, chemical corrosion, and electrical interference.
4- Installation errors by non-authorized distributors or any modification to the product.
5- The use of parts that are not supplied by Madar or the use of the product for purposes other than those for which it was designed.
6- Altering or removing the order number affixed to the product.
7- Failure to follow the cleaning instructions.
8- Remote control battery.
9- This warranty is valid within the Arab Republic of Egypt.

Instructions for Specifications, Installation & Use [Click at Warranty Certificate](#)

TRUST DOESN'T COME FROM WORDS

- **MANUFACTURER'S WARRANTY CERTIFICATE**
Peace of mind for up to 10 years.
- **THOUGHTFUL SUPPORT**, Before & After Installation
A well-informed choice... without worry.
- **R&D | RESEARCH & DEVELOPMENT**
Providing comprehensive aluminium solutions.
